Highly creative and multi-talented Graphic Designer/Production Artist with extensive experience in all aspects of the printing and marketing industries. Over fifteen years of experience as a graphic designer, developing systems to streamline the creative process and meeting deadlines ahead of schedule. From my extended knowledge of logo creation, package and brand design my managers projects would be completed with the highest level of quality.

TECHNICAL SKILLS

Proficient with Macintosh OSX, Adobe Indesign CC, Adobe Illustrator CC, Photoshop CC, File Maker Pro 12, Adobe Acrobat, StylusRip Server, Quark Xpress 2015, Microsoft Office Suite.

EMPLOYMENT HISTORY**Freelancer 2015- Present**

- Worked closely with businesses to develop logos and marketing material.
- Developed concepts for marketing agencies.
- Designed catalogs and price lists.

JELD-WEN, Charlotte,N.C. 2013 - 2015**Senior Graphic Designer/Production Artist**

- Produced designs, layouts, and graphics for a wide range of marketing material for Lowes and Home Depot as well as independent contractors.
- Responsibility for all reorders. A 48 hour turn around time was required but reduced it down to 24 hours to get the job to the printer faster.
- Making sure all boiler plates/templates are up-to-date used for reorders
- Trained several staff in the JELD-WEN procedures and the process of completing reorders.
- Trained four staff in preparing files for the printer as well as Indesign and Illustrator instruction for quicker work flow.
- Responsible for assigning jobs their part numbers using File Maker Pro
- Archiving all marketing material that was out of date or was not being used.

IMS, Fort Mills, S.C. 2003-2013**Senior Graphic Designer/Production Assistant**

- Fully responsible for our new medical packaging division while adhering to strict FDA regulations.
- Design and typeset packaging materials, CD's and DVD's
- Training various employees to be proficient in using software to increase output.
- Trouble shooting customer's files which resulted in customers saving time and money
- Assist customers with production support which streamlined the printing process
- Photo retouching and manipulation for web and printing.
- Designed layouts for sales material and catalog
- Mock ups for trade shows and presentations.
- Archiving design files for better organization.
